

# Serving Canada's Visual Artists

## Become a member today!

CARFAC has what artists need: resources on artist's fees and royalties, exporting, taxes, grants, copyright, insurance, marketing, and more.

## CARFAC is the national voice of Canada's professional visual artists.

We believe that artists should be paid fairly for their creative work.

## Artists working for Artists.

CARFAC is a professional association, representing visual artists from coast to coast to coast. We are an artist-run organization working to improve artists' economic and legal rights, through research, advocacy, and education. We negotiate working conditions and standards for artists, and we recommend minimum fee payments for the use of an artist's work when it is exhibited or reproduced.

## Members have access to:

- Advice and referrals as you navigate your rights as an artist
- Advisory notes, tool kits, and publications on the business side of art
- E-newsletters about arts policy issues relevant to your career
- Professional development workshops, webinars, conferences, and presentations
- Discounts and benefits, including free entry to many museums across Canada and the world
- Inclusion in our Membership Directory and on an invitation to participate in our Member of the Month profile on our website.

## CARFAC in the North.

We are working with the NWT Arts Program (ITI) to increase membership of visual artists living and working in the NWT. We appreciate any opportunity to gain a better understanding of the struggles that NWT artists face, as well as unique opportunities that are available to artists in your territory. We are very interested in hearing from you about ideas for future projects, and how our services may better fit your needs and interests.

If you are interested in joining CARFAC, please fill in the following information, and return before March 18, 2022, to: [director@carfac.ca](mailto:director@carfac.ca). NWT Arts will pay your membership fee for the next fiscal year of April 1, 2022 to March 31, 2023.
