**THE NATIONAL VOICE OF
CANADA'S PROFESSIONAL
VISUAL ARTISTS**

ARTISTS WORKING FOR ARTISTS

Canadian Artists' Representation/Le Front des artistes canadiens (CARFAC) is a professional association, representing visual artists from coast to coast to coast. We are an artist-run organization working to improve artists' economic and legal rights, through advocacy, research, and education. We negotiate working conditions and standards for artists, and we recommend minimum fee payments for the use of an artist's work when it is exhibited or reproduced.

CARFAC IN THE NORTH

We are working with the NWT Arts Program (ITI) to increase membership of visual artists living and working in the NWT. We appreciate any opportunity to gain a better understanding of the struggles that NWT artists face, as well as unique opportunities that are available to artists in your territory. We are very interested in hearing from you about ideas for future projects, and how our services may better fit your needs and interests.

If you are interested in joining CARFAC, please fill in the following information, and return to before March 15, 2021, to: director@carfac.ca. NWT Arts will pay your membership fee for the next fiscal year of April 1, 2021 to March 31, 2022.
